

# Grangegorman Re-Development DIT Campus

**Grangegorman  
Development Agency**  
Gníomhaireacht Forbartha  
Ghráinseach Ghormáin

## PROJECT OVERVIEW

This project involved the creation of the new DIT Campus, at Grangegorman, in Dublin's north inner city. The new campus is the largest investment in 3rd level education, in the history of the State.

The works involved the refurbishment of existing buildings relating to:  
Structure 08 - Top House(Protected Structure RPSNo.3282) J.J. Rhatigan  
Structure 09 - GDA Offices (Ground Floor) J.J Rhatigan  
Structure 17 – The Mortuary [Protected Structure RPS No.3286], Purcell  
Structure 19 – The Female House[Protected Structure RPS No.3283,  
Purcell  
Structure 20 – The Male Infirmary [Protected Structure RPS No  
3284], Structure 21 – The RC Church [Protected Structure RPS No 3284],  
Structure 22 – The Female Infirmary [ Protected Structure RPS No 3284]

The works also involved the new build Primary Care Centre which forms the core of the HSE area on the Grangegorman site. This new build incorporates one of the Protected Structures, the former Laundry Building into the construction and provides GP and public nursing facilities as well as other health related services including optometry, occupational and physical therapy.(L&M Keating)
